1 16. Between January 1, 2010, and May 20, 2010, there were no partner contributions or
2 deposits of any kind as reflected in the general ledger or the bank/brokerage statements for
3 the partnership.

4 17. In 2010, more than one person including Jill Borodin and her attorney agreed in advance to
5 engage in conduct or cause the performance of such conduct and the attorney took
6 substantial steps in pursuance of such an agreement to directly and indirectly by the use of a
7 means or instrumentality of interstate commerce, or of the mails or through the Chicago
8 Board Options Exchange, to employ a device, scheme, or artifice to defraud Tanager Fund
9 LP investors; to make untrue statements of a material fact and omit to state and actively
10 suppress material facts necessary in order to make the statements made, in the light of the
11 circumstances under which they were made, not misleading; and, to engage in acts,
12 practices, or courses of conduct which operated or would operate as a fraud or deceit upon

14 LP.
15

16
17 18. Among the representations made by Jill Borodin through her attorney of a material fact that
18 was untrue and known to be untrue by the speaker at the time it was made was the

21 from the Tanager Fund LP.

22

1 and May 20, 2010, there is no possible accounting which legitimately could justify an
2 entitlement of receiving \$484,000 of partnership distributions using any conceivable
3 accounting of partnership ownership or partner entitlement rights.

4 20. I consider such a representation to be false, inaccurate, and fraudulent.

5 21. As it pertains to the proceeds of sales from federally regulated securities under the
6 jurisdiction of the SEC and subject to the Act as amended, I consider any person who
7 purports that such an accounting is true and accurate with knowledge that it is false and
8 fraudulent to be aiding and abetting federal securities fraud.

9 22. I wish to inform the trustee that I believe any reliance by the trustee on such false and
10 fraudulent accounting, with knowledge of its false and fraudulent nature, would not only
11 constitute aiding and abetting fraud, but would also constitute a breach of his fiduciary duty
12 as trustee of my bankruptcy estate.

13 23. I am compelled to bring this to the trustee's attention because I believe that unless I raise
14 this issue in these very specific terms I would be turning a blind eye to injustice and I would
15 be avoiding my own fiduciary duties to protect the interests of the limited partners in the
16 Tanager Fund LP who have been defrauded by these false and fraudulent representations.

17 24. I have provided this declaration to law enforcement officers.

18 25. 18 USC § 1513 ("Retaliating Against A Witness, Victim, Or An Informant") describes
19 penalties designed to prevent the obstruction of justice by penalizing the retaliation against
20 people who chose to provide to law enforcement officers truthful information relating to
21 potential violations of federal securities laws:

2 18 USC § 1513

3 (e) Whoever knowingly, with the intent to retaliate, takes any action harmful to any
4 person, including interference with the lawful employment or livelihood of any
5 person, for providing to a law enforcement officer any truthful information relating
6 to the commission or possible commission of any Federal offense, shall be fined
7 under this title or imprisoned not more than 10 years, or both.

8 (f) Whoever conspires to commit any offense under this section shall be subject to
9 the same penalties as those prescribed for the offense the commission of which
10 was the object of the conspiracy.

11 26. I consider the systematic effort by Jill Borodin, officers of the court, officers of the court
12 acting in their official capacity, and potentially officers of the court acting in their official
13 capacity on behalf of or at the behest of the U.S. Government to harm me, harm my
14 children, prohibiting me from speaking to people I know in the State of Washington, to
15 damage the reputation of my business which at all times has had balanced assets and
16 liabilities as reported by Petersen Sullivan PLLC of Seattle, WA, and was never in any way
17 a "Ponzi Scheme" until the day that Jill Borodin and her attorney agreed in advance to
18 represent false and material information for the purpose of defrauding my clients and
19 misappropriating client assets thus causing irreconcilable deficits between assets and client
20 claims thereto, unsuccessful attempts soliciting me to commit bankruptcy crimes, to
21 imprison me under false pretenses, to use my false imprisonment as an method of extorting
22 money from my family, and claiming that I exhibit a pattern of a history of crimes of
23 domestic violence while having not once ever been either arrested, charged, tried, or
24 convicted of any crime in my life – let alone a single violent one ever – I can only conclude
25 is an agreement made among more than one person in advance to retaliate against me,
26 harm me, and interfere with my lawful livelihood solely because I have provided truthful
